BOUNDARIES.

North.—Starting from the right bank of Tunga river at a point 4 chains west from the western corner of Survey No. 113 of Kodlu, the line runs south-east and north-east along the foot-path leading to Giddekoppa and meets the south-west corner of Survey No. 136 of Kodlu village, thence south-east through Survey No. 139 of Kodlu village and 29 of Giddekoppa village far a distance of 23 chains and meets the north-west corner of Survey No. 19, thence south-west along the west sides of Survey Nos. 19 and 20 and meets the western corner of the latter Survey No., thence south-west through Survey No. 29 for 5 chains and meets the western corner of Survey No. 21, thence along the west sides of Survey Nos. 21 and 26 and meets the south-west corner of tank in Survey No. 29, thence along the south and east sides of the said tank to its north-east corner, thence along the east sides of Survey Nos. 26 and 21 and meets the south-west corner of Survey No. 22, thence south-east through Survey No. 29 for 8 chains and meets the north-west corner of Survey No. 24, thence south-west for 6 chains through Survey No. 29 and meets the north-west corner of Survey No. 25, thence along the west side of the same Survey No to its south-west corner, thence along the west and south sides of Survey No. 24 to its south-east corner, thence north-east for 12 chains through Survey No. 29 and meets the south-east corner of Survey No. 23, thence north-east for 4 chains through Survey No. 29 and meets the Giddekoppahalla, thence north-west along the said halla and meets the south-west corner of Survey No. 8, thence south-east through Survey No. 29 for a distance of 6 chains and meets the south-west corner of Survey No. 10, thence south-east through Survey No. 29 for a distance of 7 chains and meets the south-west corner of Survey No. 30, thence along the south side of Survey No. 30 to its south-east corner, thence south along the west sides of Survey Nos. 8 and 14 up to a point 3 chains south-west from the south-west corner of Survey No. 5, thence north-east through Survey No. 14 for 12 chains and meets the southern corner of Survey No. 7, thence south-east through Survey No. 14 for 5 chains and meets the south-west corner of Survey No. 13, thence along the south side of Survey No. 13 to its south-east corner, thence along the Tunga river up to the north-western corner of Survey No. 67 of Algeri village.

East.—Then the line runs south-west through Survey No. 16 for a distance of 16 chains and meets the north-east corner of Survey No. 19, thence along its north side to its north-west corner, thence along the north side of Survey No. 18 to its north-west corner, thence along the west and south sides of Survey No. 17 to its southern most corner, thence south-east through Survey No. 16 for 18 chains and meets the south-west corner of Survey No. 20, thence along its south side to its southern corner, thence south for 29 chains through Survey Nos. 16 and 42 and meets the western corner of Survey No. 43, thence along the south side of Survey No. 43 to its south-east corner, thence north-east for 37 chains through Survey Nos. 42 and 41 and meets the south-west corner of Survey No. 32, thence south-east through Survey No. 41 for 17 chains and meets the southernmost corner of Survey No. 30, thence south-east along the west side of Survey No. 35 to its south-west corner, thence south-west for 20 chains through Survey No. 41 and meets the northern most corner of Survey No. 40, thence along the north side of the same Survey No. to its north-west corner, thence along the west side of the same Survey No. to its south-west corner.

South.—Then the line runs south-west along the Kasaravalli halla and meets the south-east corner of Survey No. 59, thence along the east and north sides of Survey No. 59 to its north-west corner on the common boundary of Algeri and Kasaravalli villages at a point 10 chains north-east from the north-west corner of Survey No. 58, thence north-west through Survey No. 48 for a distance of 13 chains and meets the small halla in Survey No. 48 to the north of Survey No. 49, thence south-west and north-west along the said halla and meets the southern corner of Survey No. 47, thence north-east for 16 chains through Survey No. 48 and meets the north-east corner of Survey No. 45, thence along the east and north sides of Survey No. 44 to its north-west corner, thence south-west for 19 chains through Survey No. 48 and meets the south-east corner of Survey No 3 near the small halla in Survey No. 16, thence north-east along the said halla and meets the Katte in Survey No. 16, thence along the east side of the Katte to its north-east corner, thence north-west for 3 chains and meets the northern corner of Survey No. 4, thence south-west for 15 chains through Survey No. 16 and meets the northern corner of Survey No. 3, thence along its north side to its north-west corner, thence south along the west side of Survey No. 3 and meets the halla in Survey No. 16, thence along the said halla and meets the north-west corner of Survey No. 2, thence south along the west sides of Survey Nos. 2 and 64 to the western most corner of latter Survey No., then passes through Survey Nos. 63 and 61 for a distance of 9 chains till it meets the northern most corner of Survey No. 62, thence along the north, west, and south sides of the same survey number to its south-east corner and then passes through Survey No. 61 for a distance of 2 chains and meets the south-west corner of Survey No. 58, thence along the south sides of Survey Nos. 58, 57, 56, 55 and 54 and through Survey No. 59 and meets the north-west corner of Survey No. 52, thence along the west and south sides of the same survey number to its south-east corner, thence south-east and south-west along the

west side of Survey No. 57 up to its south-west corner on the Kasaravalli halla, then runs south-west along the Kasaravalli halla and meets the north-east corner of Survey No. 52, thence along the north side of the same survey number and meets the halla in Survey No. 5, thence south-west along the halla and meets the south-east corner of Survey No. 60, thence north-west along the east side of the same survey number and meets its north-east corner, thence along the north and west sides of the same survey number to its south-west corner, thence along the north side of Survey No. 4 to its north-west corner, thence north-west for 7 chains through Survey No. 69 of Bhogarkoppa and meets the north-east corner of Survey No. 3, thence along its north side till it meets the nearest northern corner, thence west through Survey No. 69 for a distance of 4 chains and meets the second northern corner of Survey No. 3, thence along the north side of the same survey number and meets the northern corner of Survey No. 2.

West.—Then the line runs north-west for 14 chains through Survey No. 69 and meets the tri-junction bandhs of Algeri, Bhogarkoppa and Kodlu villages, then runs north-west through Survey No. 22 of Kodlu village and meets the southern corner of Survey No. 183 tank, thence along the east and north sides of the said tank and meets the north-east corner of Survey No. 182, thence north-west through Survey No. 22 for a distance of 16 chains and meets the northern corner of Survey No. 180, thence north-east through Survey No. 23 for a distance of 22 chains and meets the south-west corner of Survey No. 143, thence south-east through Survey No. 145 for a distance of 25 chains and meets the south-west corner of Survey No. 144, thence along the south side of Survey No. 144 and meets the south-east corner of the same survey number, thence north-east through Survey No. 145 for a distance of 7 chains and meets the southern corner of Survey No. 143, thence along its east side to its eastern most corner, thence north-west for 22 chains through Survey Nos. 145 of Kodlu and 29 of Gaddekoppa and meets the eastern corner of Survey No. 27, thence along the east side of the same survey number to its northern corner, thence north-west, for 6 chains through Survey No. 29 and meets the north-east corner of Survey No. 141, thence along its north side to its north-west corner, thence north-west through Survey No. 140 for a distance of 11 chains and meets the north-east corner of Survey No. 103, thence north-east through Survey No. 140 for a distance of 15 chains and meets the southern corner of Survey No. 110, thence east along the south side of the same survey number to its south-east corner, thence north-east for 10 chains through Survey No. 140 and meets the south-east corner of Survey No. 112, thence along the east side of Survey No. 112 to its north-east corner, thence along its north side to its north-west corner, thence north-west for 9 chains through Survey No. 140 and meets the northern corner of Survey No. 111, thence along the north side of Survey No. 110 to its northern corner; thence north-west through Survey No. 140 for 11 chains and meets the north-east corner of Survey No. 109, thence along its north side to its north-west corner, thence west for 3 chains through Survey No. 140 and meets the Tunga river, thence north and east along the Tunga river and meets the starting point.

Remarks.

Rights and privileges enjoyed by the villagers within the Block :—

(*a*) *Right of way.*—Foot path from Kodlu to Algeri is open to men and cattle all the year round.

(*b*) *Right of grazing.*—The raiyats of Algeri and Bhogarkoppa villages are entitled to graze their cattle free in Gomal Survey Nos. noted below while they and the villagers of Kasaravalli, Kodlu, and Giddekoppa can have grazing on payment of Hulbanni in Kharab lands :—

(1) Algeri village Gomal Survey Nos. Part 41, Part 42, Part 50, Part 51 and Part 53.

(2) Bhogarkoppa Gomal Survey No. Part 5.

(*c*) The raiyats of Algeri, Kasaravalli, Bhogarkoppa, Kodlu and Giddekoppa may extract green and dry leaf for manure free from portions of Soppinabettas included in the Minor Forest and adjoining the cultivation.

(*d*) *Rights to Forest Produce.*—All the Malnad Raiyats privileges to forest produce may be exercised by the raiyats of all the villages included in the Block in accordance with Government Order No. 12673-82—Ft. 185-24-7, dated 11th April 1929.

No. G. 4064—Ft. 32-32, dated 7th December 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of section 35 of the Mysore Forest Regulation (XI of 1900) that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the name "Kodlu Block" for the purposes of the rules framed for the management of Minor Forests in Government Notification No. G. 12679-82—Ft. 185-24-7, dated the 11th April 1929.

Boundaries.

North.—Starting from the north-west corner of Survey No. 75 of Kodlu village, the line runs south-west along the west side of the same survey number to its south-west corner, thence east and south-east along the south side of the same survey number to its south-east corner, thence along the south side of Survey No. 60 to the south-east corner, thence along the west sides of Survey Nos. 59, 57, 56, 54, 53, 50, 49, 44, 43, 39, 38, 33 and 32 and meets the south-west corner of the last named survey number, thence along the south sides of Survey Nos. 32, 31, 30 and 28 and meets the south-east corner of the last named survey number, thence north-east through Survey No. 22 for a distance of 16 chains and meets the south-east corner of Survey No. 185, thence south through Survey No. 22 for a distance 27 chains and meets the northern corner of Survey No. 19, thence along the north-west sides of Survey Nos. 19, 20, and 21 and the west side of Survey No. 21 and meets the south-west corner of Survey No. 21, thence along the south side of the same survey number to its south-east corner, thence along the south sides of Survey Nos 20 and 15 and meets the southern corner of Survey No. 12, thence along the east sides of Survey Nos 12, 13, 14, 10, 9, 8, 7, 6, 5, 4, 3, and 2 and meets the north-east corner of Survey No. 191, thence north-east through Survey No. 22 for a distance of 13 chains and meets the southernmost corner of Survey No. 183, thence south-east throuth Survey No 22 for a distance of 24 chains and meets the tri-junction bandhs of Kodlu, Algeri and Bhogarkoppa villages, thence south-east through Survey No. 69 of Bhogarkoppa village for a distance of 14 chains and meets the westernmost corner of Survey No. 3, thence south-west along the Bhogarkoppa foot path and meets the northern corner of the above village site, thence along the west side of the said village site and meets the northern corner of Survey No. 68, thence along the north-west sides of Survey Nos. 68 and 67 and meets the north-west corner of Tank Survey No. 67, thence along the west and south sides of the same survey number to its south-east corner, thence along the south sides of Survey Nos. 68, 1, 2, 4 and 6 and meets the southern corner of the last named survey number, thence south-east for 2 chains through Survey No. 11 and meets the western corner of Survey No. 10, thence along the west side of the same survey number and meets its southern corner, thence south-east for 21 chains through Survey No. 11 and meets the south-west corner of Survey No. 9, thence along the south side of the same survey number to its south-east corner, then turns north-west along the western boundary of Kasaravalli village till it meets the south-west corner of Survey No. 52, thence along the south sides of Survey Nos. 52 and 53 to the south-east corner of the last named survey number, thence along the west sides of Survey Nos. 51, 50, 49, 48 and 47 tank and meets the south-west corner

of the last named survey number tank, thence along the south side of the tank to its south-east corner, thence turns north-east for 2 chains through Survey No. 46 and meets the south-east corner of Survey No. 43, thence along the east sides of Survey Nos. 48, 49, 50, 51, 53, 54, and 55 and meets the Kasaravalli halla, thence south-east and north-east along the said halla and meets the western corner of Survey No. 61.

East.—Then the line runs south-east and south-east along the west side of Survey No. 61 and meets the north-west corner of Survey No. 62, thence along the west sides of Survey Nos. 62 and 63 and meets the south-west corner of the last named survey number, thence along the south and east sides of Survey No. 63 to its north-east corner, then turns south-east through Survey No. 64 for a distance of 15 chains and meets the southernmost corner of Survey No. 71, then the line runs along the west sides of Survey Nos. 70 and 65 and meets the north-west corner of Survey No. 37, thence along the north sides of Survey Nos. 45, 44 and 43 and meets the north-west corner of the last named survey number, then turns south-east and south-west along the west side of Survey No. 43 and meets the north-west corner of the tank in the same survey number, thence south-west through Survey No. 46 for a distance of 4 chains and meets the tri-junction bandhs of Kasaravalli, Bhogarkoppa and Yedemani villages.

South.—Then the line runs slightly south-west for 19 chains along the northern boundary of Yedemani village and turns north-west for 13 chains through Survey No. 20 of Bhogarkoppa and meets the south-east corner of Survey No. 18, thence along the east side of the same survey number and meets the south-east corner of Survey No. 14, thence along the east side of the same survey number to its northern corner, thence along the east and north sides of Survey No. 12 to its western corner, thence south-west for 17 chains through Survey No. 66 and meets the north-west corner of Survey No. 64, thence along the west side of the same survey number to its south-west corner, thence south-west for 8 chains through Survey No. 66 and meets the north-west corner of Survey No. 60, thence through Survey No. 58 for a distance of 5 chains and meets the north-east corner of of Survey No. 57, thence along the north, west and south sides of the same survey number and meets the southern corner of the same survey number, thence south-west for 11 chains through Survey No. 58 and meets the north-east corner of Survey No. 55, thence along the north sides of Survey Nos. 55, 56, 55, 54 and 53 and meets the north-west corner of the last named survey number, thence along its west side to its western corner, thence south-east for 2 chains through Survey No. 52 and meets the southern corner of Survey No. 53, thence east for 17 chains through Survey No. 52 and meets the southern corner of Survey No. 55, thence south-east for 4 chains through Survey No. 52 and meets the north-west corner of Survey No. 37, thence along the west side of the same survey number to its south-west corner, thence south-east for 6 chains through Survey No. 51 and meets the south-west corner of Survey No. 38, then runs south-west through Survey No. 51 for 17 chains and meets the north-west corner of Survey No. 39, thence south-west through Survey Nos. 51 of Bhogarkoppa and 58 of Herbailu villages for a distance of 18 chains and meets the northern corner of Survey No. 57 of Herbailu village, thence along its north side to its western corner, thence south-west for 6 chains through Survey No. 58 and meets the north-west corner of Survey No. 53, thence along its west side to its western corner, then turns north-west for 19 chains through Survey Nos. 58 and 59 of Herbailu village and meets the south-west corner of Survey No. 61, thence along the south side of same survey number to its south-east corner, thence north-east through Survey No. 59 for a distance of 16 chains and meets the south-east corner of Survey No. 60, thence along the east side of the same survey number to its north-east corner, then runs south-west through Survey No: 59 for a distance of 11 chains and meets the northernmost corner of Survey No. 60, then runs south-west through Survey No. 59 for a distance of 13 chains and meets the western corner of Survey No. 63, thence south-west through Survey No. 59 for 7 chains and meets the north-west corner of Survey No. 68, then runs south-west and north-west along the small halla in Survey No. 74 till it meets the north-west corner of Survey No. 72, thence along the west and south sides of Survey No. 72 to its southern corner, thence along the west side of Survey No. 71 and meets the halla in Survey No. 74, then turns west for 3 chains along the said halla and meets the Thunga river.

West.—Then the line runs north-west along the right bank of Tunga river and meets the halla in Survey No. 74, then turns north-east along the said halla and meets the south side of Survey No. 76, thence along the south side of the same survey number and meets the above halla again, thence south-east and north-east along the halla and meets the south-east corner of Survey No. 78, thence along the east side of the same survey number to its north-east corner, then runs south-west along the north sides of Survey Nos. 78 and 77 and meets the north-east corner of Survey No. 76, thence north-west for 24 chains through Survey No. 74 and meets the northern corner of Survey No. 75, then runs south-west along the west side of the same survey number to its south-west corner, thence west for 2 chains through Survey No. 74 and meets the Tunga river, then runs north-east for 20 chains along the Tunga river up to where the halla in Survey No. 80 joins the river then runs south-east and north-east

along the said halla and meets the south-west corner of Survey No. 105, thence south-east for 15 chains through Survey No. 80 and meets the southern corner of Survey No. 107, then east through Survey No. 80 for 6 chains and meets the south-west corner of Survey No. 113, thence south-east for 16 chains through Survey No. 115 and meets the north-west corner of Survey No. 114 thence along the west, south and east sides of the same survey number to its north-east corner, thence along the east side of Survey No. 113 and meets the halla in Survey No. 115, then runs north-east along the halla in Survey No. 115 and meets the southern side of Survey No. 116, thence along the south, east and north sides of the same survey number and meets the southern corner of Survey No. 117 then runs north-east for 6 chains through Survey No. 119 and meets the south-east corner of Survey No. 118, thence north along the east side of the same survey number to its northern corner, thence north through Survey No. 119 for 7 chains and meets the north-east corner of Survey No. 117, thence along its north side and through Survey No. 119 for a distance of 7 chains and meets the north-west corner of Survey No. 117, then south-west through Survey Nos. 119 and 110 for a distance of 13 chains and meets the north-east corner of Survey No. 111, thence along the north side of the same survey number to its north-west corner, then south-west for 9 chains through Survey No. 110 and meets the northern side of Survey No. 113, thence along its north side and meets the halla in Survey No. 110, thence along the said halla through Survey Nos. 110 and 109 and meets the eastern corner of Survey No. 102, then north-west through Survey No. 109 for a distance of 5 chains and meets the north-east corner of Survey No. 101, thence in the same direction for 9 chains through Survey No. 3 of Almanipalbaskere village and meets the south-west corner of Survey No. 2, then south-east through Survey No. 3 for a distance of 10 chains and meets the southern corner of Survey No. 2, thence along its south side and meets the south-west corner of Survey No. 125 of Herbailu village, thence along its south side to its south-east corner, thence north along the east side of the same survey number to its north-east corner, thence along the south side of Survey No. 126 to its south-east corner, thence through Survey No. 124 for a distance of 9 chains and meets the south-eastern corner of Survey No. 127, thence along its east side to its eastern corner, thence through Survey Nos. 124 and 120 for a distance of 15 chains and meets the southern corner of Survey No. 121, thence along the south, east and north sides of Survey No. 121 and meets the northern corner of Survey No. 122, thence along its north side to its western corner, thence south-west along the halla in Survey No. 128 and meets the north-west corner of Survey No. 126, thence south-west and north-west along the halla in Survey Nos. 2 and 1 of Almanipalbaskere village and 80 of Herbailu village and meets the Tunga river, then runs along the right bank of Tunga river and meets the boundary of Herbailu village at a point 2 chains south-west from the south-west corner of Survey No. 137, thence north-east for 2 chains through Survey No. 128 and meets the south-west corner of Survey No. 137, thence along its south side to its south-east corner, thence east through Survey No. 128 for a distance of 18 chains and meets the southern corner of Survey No. 134, then runs north-east along the south-east side of the same survey number to its eastern corner, thence through Survey No. 128 for a distance of 12 chains and meets the south-west corner of Survey No. 130, thence along its south side to its south-east corner, thence north-east along the east side of the same survey number to its eastern corner, thence north-east through Survey No. 128 for a distance of 12 chains and meets the eastern corner of Survey No. 129, thence along its east side to its north-east corner, then north-west along the north side of Survey No. 129 and meets the halla in Survey No. 128, thence along the halla and meets the Tunga river, then north-west along the said river and meets the common bandhs of Kodlu and Herbailu villages, thence north-west and north-east along the right bank of Tunga river and meets the starting point.—

Enclosure.—Survey No. 76 of Kodlu is treated as an enclosure in the Block with a right of way.

Rights and privileges enjoyed by the villagers within the Block.

(*a*) ***Right of Way.***—(1) Cart-tracks from Herbailu to Tunga river and from cart-track No. 1 to enclorure No. 1 are open to men, cattle and carts all the year round.

(2) Foot-paths from Kodlu to Algeri, Kodlu to Bhogarkoppa and foot-paths from hamlet to hamlet are open to men and cattle all the year round.

(*b*) ***Right of grazing.***—The raiyats of Herbailu, Almanipalbaskere, Bhogarkoppa and Kasaravalli villages are entitled to graze their cattle free in Gomal survey numbers noted below and on payment of Hulbanni in Kharab lands included in the Block:—

1.	Herbailu Gomal survey numbers	Part 79,	Part 80, Part 109, Part 110, Part 115.
2.	Almanipalbaskere	do	Part 3.
3.	Bhogarkoppa	do	Part 58, Part 66.
4.	Kasaravalli	do	Full 64.

(*c*) The raiyats of Herbailu, Kodlu, Almanipalbaskere, Bhogarkoppa and Kasaravalli may extract green and dry leaf for manure from the Soppinabetta included in the Minor Forest and adjoining the cultivation.

(*d*) ***Rights to Forest Produce.***—All the Malnad Raiyats' Privileges to Forest Produce may be exercised by the raiyats of all the villages included in the Block in accordance with

No. G. 4101—*Ft.* 163-32-2; *dated 9th December* 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare, under the provisions of section 4 of the Mysore Forest Regulation (XI of 1900), that it is proposed to constitute the area, the boundaries of which are described in the schedule annexed, a State Forest, under the provisions of the said Regulation.

2. The Government of His Highness the Maharaja of Mysore are further pleased, under clause (c) of the said section, to appoint the Revenue Sub-Division Officer, Madhugiri Sub-Division, to be the Forest Settlement Officer, who shall enquire into and determine the existence, nature and extent of any rights claimed by or alleged to exist in favour of any person in or over any land comprised within such limits, or to any forest produce of such land, and to deal with the same as provided in Chapter II of the said Regulation, and the District Forst Officer, Tumkur District, for the time being, to attend on behalf of Government to assist the Forest Settlement Officer in the inquiry.

3. The Government of His Highness the Maharaja of Mysore are further pleased, under the authority vested in them by section 15 of the said Regulation, to appoint the Deputy Commissioner of the Tumkur District, for the time being, to be the Officer of the Revenue Department who shall hear appeals from the orders of the Forest Settlement Officer under sections 10, 11, 12, 13 and 14 of the Regulation.

Schedule.

District	Taluk	Hobli	Name of village	Approximate area	Name of block	Situation
				A. g.		
Tumkur	Koratagere	Koratagere	Jatti Agrahara Navilkurke Gaccnahalli Thartiroppa	1677 20 or 2·62 square miles.	Minchakal Block.	It lies to the east of Tumkur-Koratagere high road and is about 2 miles to the north of Devarayadurga State Forest.
	Tumkur	Kolala Kora	Hoskote Jakkenahalli Gollahalli			

Boundaries.

North.—Starting from the northernmost corner of Survey No. 42 of Thartiroppa, the line runs north-east along the north-eastern boundary of Survey No. 111 of Jatti Agrahara village till it meets the north-western corner of Survey No. 109 of the same village. Then the line turns south-east and north-east and follows the western and southern boundaries of the last named survey number till it meets the south-western corner of Survey No. 34 of Navilkurke village. It then turns south-east and follows the southern boundary of Survey No. 34 of Navilkurke village till it meets its south-eastern corner. It then runs south-east through Survey No. 32 of Navilkurke village till it meets the north-western corner of Survey No. 25 of the same village. It then runs south-west along the western boundary of the last named survey number till it meets its south-western corner. Then turning north-west and south-west, it follows the northern boundary of Survey No. 16 of Navilkurke village till it meets its north-western corner. It then turns west, south, and south-east and follows the northern, western and southern boundaries of Survey No. 17 of Navilkurke village till it meets the south-western corner of Survey No. 18 of the same village. It then turns east and follows the southern boundary of Survey No. 18 of the same village till it meets its south-eastern corner. The line then runs north-east along the south-eastern boundary of Survey No. 19 of the same village till it meets its easternmost corner. The line then turns east and south-east and follows the southern boundary of Survey No. 11 of Navilkurke village till it joins the westernmost corner of Survey No 65 of Nagenahalli village. It then runs south-east and east along the southern boundary of Survey Nos. 65, 64 and 81 of the same village till it meets the south-eastern corner of the last named survey number.

East.—Then the line turns south-west and runs along the western boundaries of Survey Nos. 80 and 78 of Nagenahalli village till it meets the south-western corner of the last named survey number. It then turns east and runs along the southern boundary of the last named survey number till it meets its south-eastern corner. It then turns south-east and running along the south-western boundary of Survey No. 77 of the same village joins its southernmost corner. It then turns south-west and running along the north-western boundary of Survey No. 72 joins the north-eastern corner of Survey No. 71 of the same village. It then turns west and south-west along its northern and western boundaries till it meets its south-western corner. The line then runs south-west through Survey No. 68 of the same village till it meets the westernmost corner of Survey No. 69. The line runs west along the southern boundaries of Survey Nos. 68 and 67 of the same village till it meets the northernmost corner of Survey No. 26 of Hoskote village. The line then runs south, west and south-west along

the northern and western boundaries of Survey No. 26 of Hoskote village till it meets the north-western corner of Survey No. 25 of the same village. It then follows the western boundary of Survey No. 25 till it meets the northernmost corner of Survey No. 23 of the same village. Then turning west, it runs through Survey No. 14 of Hoskote village till it meets the south-eastern corner of Survey No. 15 of the same village. It then runs north, south-west and south along the eastern, northern and western boundaries of the last named survey number, till it meets its south-western corner. It then turns south and runs through Survey No. 14 of Hoskote village till it meets the north-eastern corner of Survey No. 11 of Jakkenahalli village.

South.—The line then turns west, south and east along the north, west and southern boundaries of Survey No. 11 of Jakkenahalli village till it meets its south-eastern corner. The line then runs south-west through Survey No. 10 of Jakkenahalli village till it meets the south-west corner of Survey No. 9 of the same village. The line then runs south-west through Survey No. 10 of the same village till it joins the north-western corner of Survey No. 4 of the same village. It then runs north-west and north along the common boundaries of Jakkenahalli and Channamuddanahalli villages and Jakkenahalli and Sarva Inam Ahobala villages till it meets the tri-junction bandhs of Jakkenahalli, Sarva Inam Ahobala Agrahara and Gollahalli villages. The line then turns west and runs along the common boundary between Sarva Inam Ahobala Agrahara and Gollahalli villages to a point 25 chains west from said tri-junction bandhs.

West.—The line then runs north through Survey No. 7 of Gollahalli village till it meets the eastern most corner of Survey No. 8 of the same village. The line turns north-west and follows the north-eastern boundary of Survey No. 8 of the same village till it meets its north-eastern corner. It then turns north and runs through Survey No. 7 of the same village till it meets the north-eastern corner of Survey No. 6 of the said village. The line then turns north-east and follows the eastern boundaries of Survey Nos. 33, 34, and Beecharakroppa, south and east sides of Survey No. 38 and the east sides of Survey Nos. 39, 40 and 41 and the south side of Survey No. 42 of Thartiroppa village till it meets the south-eastern corner of Survey No. 42 of the same village. The line then turns north-west and follows the north-eastern boundary of Survey No. 42 till it meets the starting point.

No. G. 4104—Ft. 1-32-33, dated 9th December 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of section 35 of the Mysore Forest Regulation (XI of 1900) that the land the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest under the name of "Kolagibelu Minor Forest" for the purposes of the rules framed for the management of Minor Forest in Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.

Boundaries.

North.—Starting from the north-east corner of Survey No. 18 of Kolagibailu, the line runs east through Survey No. 19 and meets the south-west corner of Survey No. 14; thence south-east through Survey No. 19 and meets the south-western corner of Survey No. 13; then runs along the south side of the same survey number to its south-east corner; thence north-east through Survey No. 19 and meets the south-east corner of Survey No. 22 of Kolagibailu village; then, the line runs north-east through Survey No. 22 and meets the south-east corner of Survey No. 25; thence south-east through Survey No. 22, 37 and 8 and meets the western corner of Survey No. 4: then runs south through Survey No. 8 and meets the western corner of Survey No. 3; thence along the south side of Survey No. 3 to its south-east corner; thence north-east through Survey No. 8 and meets the southern corner of Survey No. 1; thence east through Survey No. 8 and meets the south-east corner of Survey No. 1; thence north-east along the east side of the same survey number to its north-east corner; thence north-west through Survey No. 8 and meets the north-east corner of Survey No. 41; thence in the same direction through Survey No. 8 to meet the foot-path leading to Shedakalkoppa; thence north-east along the said foot-path and meets the Shedakalkoppa village limit at the south-west corner of Survey No. 8.

East.—Then, the line runs along the common boundary of Kolagibailu and Shedakalkoppa villages and meets the trijunction bandhs of Shedakalkoppa, Lakkunda and Kolagibailu villages at the south-west corner of Survey No. 7 of the former village; thence south-east along the west side of Survey No. 94 and meets the north-east corner of Survey No. 67 of Lakkunda; thence along the north side of the same survey number to its north-west corner; thence south along the west sides of Survey Nos. 67 and 66 and meets the western corner of the last named survey number; thence south through Survey No. 64 for a distance of 7 chains and meets the north-east corner of Survey No. 61.

South.—Then, the line runs north-west through Survey No. 64 for a distance of 17 chains and meets the north-east corner of Survey No. 62; thence along the north side of the same survey number for a distance of 7 chains and thence north-west for 10 chains through Survey No. 64 and meets the north-east corner of Survey No. 63; thence along the north side of the same survey number to its north-west corner; thence south along the west side of the same survey number to its western corner; thence south through Survey No. 64 for a distance of 11 chains and meets the north-east corner of Survey No. 58; thence south-west through Survey No. 42 for a distance of 28 chains upto a point about 2 chains north from the western corner of Survey No. 56; thence south for 2 chains and meets the said western corner of the same survey number; thence along the west side of Survey No. 56 for a distance of 8 chains; thence south-west through Survey Nos. 42 and 47 for a distance of 16 chains and meets the north-east corner of Survey No. 43; thence north-west through Survey Nos. 47 and 55 for a distance of 12 chains and meets the north-east corner of Survey No. 48; thence along the north side of Survey No. 48 upto the halla; thence along the halla and meets the eastern corner of Survey No. 53; thence along the east side of Survey No. 53 and north side of Survey No. 54 to the north-west corner of the last named survey number; thence south-west for 4 chains along the west side of Survey No. 54 to its south-west corner; thence in the same direction for a distance of 21 chains and meets the north-east corner of Survey No. 40 of Hanasa village; thence west along the north side of Survey No. 40 for a distance of 3 chains and meets the common boundary of Hanasa and Lakkunda villages.

West.—Then, the line runs north-west for a distance of 18 chains and meets the tri-junction bandhs of Hanasa, Lakkunda and Kantikoppa villages; thence north-east for 26 chains along the common boundary of Lakkunda and Kantikoppa villages and meets the north-east corner of Survey No. 115 of Kantikoppa; thence north-west through Survey No. 19 of Kolagibailu for a distance of 15 chains and meets the starting point.

Remarks.—Survey Numbers 9, 10 and 11 of Kolagibailu village are treated as enclosures within the Block with right of way to them.

Rights and Privileges enjoyed by the villagers within the Block.—

(*a*) *Right of Way.*—1. Cart-track from Kolagibailu to Shedakalkoppa is open to men, cattle and carts all the year round.

2. Foot-path from Kolagibailu to Hanasa is open to men and cattle all the year round.

3. Foot-path branching from cart-track No. 1 to Lakkunda is open for men and cattle all the year round.

4. Foot-path branching from cart-track No. 1 to enclosure No. 1 and on to Shedakalkoppa cart-track is open to men and cattle all the year round.

(*b*) *Right of Grazing.*—The raiyats of Lakkunda and Kolagibailu villages are entitled to graze their cattle free in gomal Survey numbers noted below:—

1. Lakkunda Gomal Survey No. 55
2. Kolagibailu Gomal Survey No. 12

and on payment of Hulbanni in other lands.

(*c*) The raiyats of Lakkunda and Kolagibailu villages may extract green and dry leaf for manure from the Minor Forest adjoining the cultivation.

(*d*) As the limits of the occupied and Government Kans have not yet been defined either on the ground or in the maps, Kan-holders may exercise all privileges attached to occupied Kans in the portion under occupancy till they are demarcated.

(*e*) All the Malnad Raiyats' Privileges to Forest Produce may be exercised by the Raiyats of both the villages in accordance with the Government Order No. G. 12673-82—Ft. 185-24-7, dated 11th April 1929.

No. G. 4107—*Ft.* 1-32-36, *dated 9th December* 1932.

The Government of His Highness the Maharaja of Mysore are pleased to declare under the provisions of section 35 of the Mysore Forest Regulation (XI of 1900) that the land, the limits of which are described in the schedule annexed hereto, shall be constituted a Minor Forest " under the name of Megarvalli Minor Forest " for the purposes of the rules framed for the management of Minor Forests in Government Notification No. G. 12673-82—Ft. 185-24-7, dated the 11th April 1929.
